

COMMUNITY ALERT

On June 30, a break in was reported on Captains Walk. Liquor and beer was stolen. Because of a tip a few days earlier from a concerned citizen, Oak Shores Code Enforcement and the Sheriffs Department were able to obtain a confession from the guilty youth. Consequently, the young person confessed to entering several other homes and stealing alcohol. Several of these homeowners were not aware that that their home had been robbed. It was also determined that there were other young people involved in committing these crimes. More confessions followed and some of the alcohol was recovered.

Please check your home for any signs of an attempted break in and for missing alcohol and report any incidents to Oak Shores Code Enforcement Supervisor, Peggy Johnson at 674-6548 or

to the office. We encourage you to contact the Sheriffs Department as well. Please note, that a watchful citizen was crucial in solving these cases. Please do not ever hesitate to report suspicious activity to Oak Shores Code Enforcement.
